Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§1.56 and 1.97(b), applicants bring to the Examiner's attention the documents listed on attached Form PTO/SB/08 and cited in the international search report. Copies of the listed foreign patent documents are attached. Applicants respectfully request that the Examiner consider the documents listed on attached Form PTO/SB/08 and indicate that they were considered by making an appropriate notation on this form.

This Information Disclosure Statement is being filed with the above-referenced application.

The following are listed on the accompanying PTO/SB/08 and are in a non-English language:

1. Japanese Patent Application No. 10-110072 is cited on page 4 of the specification of the present application, and the relevance of this document is discussed at pages 3 and 5 of the specification of the present application. An English-language translation and an English-language abstract of this document is also enclosed.

2. Japanese Patent Application No. 10-114551 is cited on page 5 of the specification of the present application, and the relevance of this document is discussed at pages 3 and 5 of the specification of the present application. An English-language translation and an English-language abstract of this document is also enclosed.

3. Japanese Patent Application No. 10-114552 is cited on page 5 of the specification of the present application, and the relevance of this document is discussed at pages 3 and 5 of the specification of the present application. An English-language translation and an English-language abstract of this document is also enclosed.

4. Japanese Patent Application No. 2000-119537 is cited on page 5 of the specification of the present application, and the relevance of this document is discussed at pages 4-6 of the specification of the present application. This document also corresponds to U.S. Patent No. 6,491,992 B1.

5. Japanese Patent Application No. 10-081548 together with an English-language translation of the document. An English-language abstract of this document is also enclosed.

6. Japanese Patent Application No. 09-077536 together with an English-language translation of the document. An English-language abstract of this document is also enclosed.

A statement of relevance of non-English documents listed above as 4-6, is also included in the English-language international search report from the Japanese Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing these documents and setting forth the relevance thereof.

Listed documents 4-6 above were also cited and discussed in an office action issued by the Japanese Patent office in corresponding (priority) Japanese Application No. 2004-195438. Enclosed is a copy of the Japanese Office Action dated August 30, 2005, and an English-language translation thereof which also discusses the relevance of listed documents 4-6 above.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please  
charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
